

# TerraLUX™ TLE-HP3™

## LED Upgrade for the Streamlight® HP Series

### Features

- 180 Lumens of Light Output-the Brightest!
- 100,000 hr Rated Life
- Rugged & Durable
- 6 hour Runtime-not 1 hour!
- Focuses!!!!!!!
- Never Needs Replacing
- Pure White Light
- Consistent Brightness and Color Regardless of Battery Condition

### *Introducing the All New TLE-HP3*

- **EXTREMELY INTENSE LIGHT** output comes from the **Luxeon® Rebel 100 LED**. This is among the brightest white LEDs currently manufactured! The LED generates approximately **180 Lumens** of light output.
- **NEVER BURNS OUT.** With a rated 100,000 hr life you should never need to replace a bulb again! No more delicate, expensive bulb to handle.
- **LONGER BATTERY LIFE** results from the higher efficiency of the LED compared to the standard incandescent bulb. Expect a 6 hour runtime instead of 1 hr.
- **SAVE MONEY!** Rechargeable batteries must be replaced after about 300-1000 charge-discharge cycles. The longer run time with the TLE-HP3 means fewer charging cycles and more money in your pocket. **PAYS FOR ITSELF IN BULBS AND BATTERIES.**
- **MAINTAINS ADJUSTABLE FOCUS**-Twist the head to focus just like the incandescent bulb.

### Specifications

- LUMILED REBEL 100 LED
- 6 HR RUNTIME ON FULLY CHARGED BATTERIES
- 180 LUMENS
